

The League of Night and Fog

The exciting final installment in THE BROTHERHOOD OF THE ROSE trilogy David Morrells international thrillers have no equal. Among his classic novels, THE LEAGUE OF NIGHT AND FOG stands as one of his most exciting, ambitious, and brilliant works. Here is a novel that literally spans the globe, bringing together two generations of men and women bound by one murderous legacy. From the Vatican to the Swiss Alps, from Australia to the heartland of America, the master operatives of the Brotherhood of the Rose and the Fraternity of the Stone join forces to solve a violent mystery. Why have ten old men been abducted from around the world? As Saul and Drew investigate, they encounter a terrifying cycle of revenge that began in World War II and now forces sons to pay for their fathers darkest sins. This special edition e-book contains a Brotherhood of the Rose short story, The Abelard Sanction, that completes the saga. Splendid, state-of-the-art ... action/adventure ... Morrells forte is action, and there is plenty of that here. Washington Post Book World A wildly Ludlumesque thriller ... an exciting and entertaining adventure. Publishers Weekly An ambitious, violent, and enthralling novel that has everything... . Recommended. Library Journal Terrific action scenes Cleveland Plain Dealer A master of suspense Michael Connelly Morrell, an absolute master of the thriller, plays by his own rules and leaves you dazzled.
